

Chi Kung Energy

Seminar

-4 WORKSHOPS IN 3 DAYS

Sigung Richard Clear

CHI KUNG (Qi Gong) are the Chinese words that translate into *Energy Work* that emanates from the ancient Science of Mind, Spirit, Breathing & Posture. The primary purpose of Chi Kung is for the energetic healing of self and others. There are over 750 different kinds of Chi Kung and many different approaches and schools of thought exist.

FA KUNG Universal Energy Emission and Transmission is one of the older and more secret schools of Chi Kung. It includes how to absorb, build, emit and heal with Chi Energy. This includes sensing, interpreting, balancing & healing specific injuries & illness with chi.
